MISSION: Recipe for Success Foundation is dedicated to combating childhood obesity and encouraging long-term health by altering the way our children understand, appreciate and eat their food, and by educating and mobilizing the community to provide healthier diets for children.

Since 2005, the Foundation founded by Gracie & Bob Cavnar has created and delivered programs to empower more than 20,000 Houston children with the knowledge and skills they need to lead healthier lives. Through award-winning efforts like our nationally-offered Seed-to-Plate Nutrition Education™, Eat It! Food Adventures children's cookbooks and the annual VegOut! 30-Ways in 30-Days Challenge, the Foundation works to make healthy food appealing and available to everyone.
